11. Signature Requirements

When any transfer or payment initiated through the Online Banking and Bill Payment Service generates items to be charged to your Eligible Account(s), you agree that we may debit the designated account, or the account on which the item is drawn, without requiring your signature on the item and without any notice to you.

12. Account Balances

Balances shown in your accounts may include deposits subject to verification by us. The balance may also differ from your records due to deposits in progress, checks outstanding, or other withdrawals, payments or charges. A transfer request may not result in immediate availability because of the time required to process the request. A transfer request between accounts you hold at The Guernsey Bank must be made before the Business Day Cut-off time of 7:00 PM ET Monday through Friday to be effective the same Business Day. The Bill Payment cut-off time is 6:00 AM ET.

The balances within the Online Banking Service are updated periodically and the system will display the most current balance as the "Available Balance" on the "Accounts Summary" page. There may be situations that cause a delay in an update of your balances. The Guernsey Bank will use the most current balance available at the time of a Scheduled Bill Payment or Scheduled Transfer to determine our approval for account transfers.

13. Bill Payment Transfer Limitations and Transfer Limitations Between Accounts at this Institution

You may use the Online Banking and Bill Payment Service to initiate transfers between your accounts at The Guernsey Bank or to initiate Bill Payment transfers to External Payees using your Eligible Account(s). No transfer may be made from an account that requires two or more signatures.

For Online Banking transfers you initiate between accounts held at The Guernsey Bank, current Federal regulations restrict the number of transactions you can make from certain types of accounts, such as Money Market and Savings accounts. For these types of accounts, you may not make more than six (6) pre-authorized EFTs, which include computer initiated transfers, telephone transfers, checks, and point-of-sale transactions during a given monthly statement period. Transfers between your accounts at The Guernsey Bank which are authorized by personal computer through the Online Banking Service are counted toward the six permitted monthly transfers. Therefore, if you exceed the maximum allowed number of transfers or debits allowed by law from a Savings, Money Market or Market Index Account, we will take steps we reasonably believe necessary to ensure future compliance with Account limits as permitted by your separate deposit account agreement with us.

For Bill Payment transfers, Federal regulations currently place no limits on the number of transfers or bill payments from your Checking accounts, therefore The Guernsey Bank currently limits eligible Bill Payment Accounts to only Checking Accounts or NOW accounts.

14. Canceling or Changing Scheduled Transfers Between Accounts at this Institution

You may use the Online Banking Service to transfer funds between your accounts at The Guernsey Bank.

If you wish, you may cancel a Scheduled Transfer after it has been entered into the system AND before the transfer has been processed by the Online Banking Service. This means that you may delete any Scheduled Transfer that is still "pending", prior to transfer processing. Although you cannot cancel a Scheduled Transfer after the transfer has been processed; you may schedule another transfer to reverse the previous one performed.

In order to cancel a pending Scheduled Transfer that has not been processed, use the following procedures:

1. Log in to the Online Banking Service and navigate to the Schedule Transfers menu;

2. You may cancel a Scheduled Transfer (future dated/recurring) transfer anytime before 7:00 PM ET one (1) business day prior to the Scheduled Transfer, and;
3. To cancel the Scheduled Transfer you must delete the transfer.

15. Other Features Available via the Online Banking Service

(A) Secure Message Delivery Services and Secure File Delivery Services

Additional features which are available to you within the Online Banking Service include Secure Message delivery for permitting secure communication from you to us. The submission of such requests, including general communications or general requests, will generate a secure message to The Guernsey Bank. The Secure File transfer feature within the Service provides a means for you to forward files to The Guernsey Bank in a secure manner. Generally, requests received through the Secure Message and/or Secure File feature of the Online Banking Service will be processed within one (1) to two (2) Business Days.

The Online Banking Service Provider will use its best efforts to deliver any Secure Message and/or File which you transmit to us. The Guernsey Bank will use its best efforts to provide a prompt response to any Secure Message and/or File which you send to us. However, neither the Online Banking Service Provider nor The Guernsey Bank are responsible for any error in or delay of any electronic message, and The Guernsey Bank does not warrant that any electronic message will be received or reviewed by the appropriate person or responded to in any particular manner. Therefore, for urgent requests, we recommend that you contact our Customer Service Department by telephone at (614) 854-0400.

16. Bill Payment Terms and Conditions

(A) Bill Payment Term Conditions

This is your bill paying agreement with The Guernsey Bank. You may use The Guernsey Bank's Bill Payment Service, Bill Pay, to direct The Guernsey Bank to make payments from your designated checking account to the Payee(s) you choose in accordance with this Agreement. The terms and conditions of this Agreement are in addition to the Account agreements, disclosures and other documents in effect from time to time governing your Account (the Account Rules).

Payee or External Payee is the person or entity to which you wish a Bill Payment to be directed, as the case may be, and may include merchants, other financial institutions or individuals and it means anyone, including The Guernsey Bank, you designate and to whom The Guernsey Bank agrees to deliver a Bill Payment.

(B) How To Set Up Payees/Payments

When you sign onto the bill pay system you will establish your list of Payees by selecting the Add button on the Set up Accounts and Payee screen. You may add a new fixed payment for any Payee but only if they are on your authorized list of Payees. If the Payee is not set up for electronic payments, the Service will generate a paper check for payment. The check will carry your account number and will clear directly through your account. A unique check number will appear on your statement for easy recognition. The Guernsey Bank and/or the Bill Payment Service Provider reserve the right to refuse the designation of a Payee for any reason. The Guernsey Bank is not responsible if a Bill Payment can not be made due to incomplete, incorrect, or outdated information provided by you regarding a Payee or if you attempt to pay a Payee that is not on your Authorized Payee list.

(C) Bill Payment Scheduling

The Guernsey Bank will process recurring and variable payments on the business day (generally Monday through Friday, except Federal banking holidays) you designate the bill is to be processed, provided the payment request is received prior to the cut-off time set by The Guernsey Bank. Recurring and/or variable Bill Payment requests received after the business day cut off time, or at any time on a non-business day will be processed on the next business day. The Guernsey Bank reserves its right to change the cut-off time by giving you notice if it changes.

Bill Payment transactions require six (6) Bill Payment Business Days for processing after the Scheduled Bill Payment request is entered into the Service. Therefore, you should schedule payments by 6:00 AM Eastern Time at least six (6) Bill Payment Business Days prior to the actual Due Date reflected on your Payee statement. **YOU MUST ALLOW AT LEAST SIX (6) BUSINESS DAYS, PRIOR TO THE DUE DATE, FOR EACH BILL PAYMENT (RECURRING OR VARIABLE) TO REACH THE PAYEE. (IT IS THE RESPONSIBILITY OF THE SUBSCRIBER TO SCHEDULE/ACTIVATE RECURRING PAYMENTS).**

If the actual Due Date reflected on your Payee statement falls on a non-business day, you must select a Scheduled Bill Payment Date that is at least one (1) Bill Payment Business Day before the actual Due Date established by the Payee. Scheduled Payment Dates should be prior to any late date or grace period established by the Payee.

FOR RECURRING PAYMENT REQUESTS, IF YOU DESIGNATE A PROCESSING DATE OF THE 28TH THROUGH THE 31ST OF A MONTH, YOU MUST SELECT THE OPTION OF "LAST BUSINESS DAY" FOR PROCESSING TO BE ALWAYS BE INITIATED ON THE LAST CALENDAR DAY OF THE MONTH. Otherwise, recurring payment requests will be processed on the dates you have designated, unless such date falls on a non-business day resulting in your payment being processed on the next business day.

Due to circumstances beyond our control, some Payees take longer to post payments than others. We suggest sending your first payment nine (9) business days in advance of the Due Date. After your first payment has posted you will have a better understanding of how much time to allow for each Payee.

(D) Inability to Complete Bill Payment Request

The Bill Payment Service will incur no liability if the Bill Payment Service is unable to complete any Bill Payment request you have initiated if any of the following reasons exist:

1. You have not provided the Bill Pay Service with the correct payment account information, or the correct name, address, phone number, or account information for the Payee upon initiation of the payment; and/or;
2. Circumstances beyond the control of the Bill Payment Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Bill Payment Service has taken reasonable precautions to avoid those circumstances;
3. The payment-processing center is not working properly and you know or have been advised by the Bill Payment Service about the malfunction before you execute the transaction.

(E) Bill Payment Account

You agree to have available and collected funds on deposit in the Bill Payment Account you designate in amounts sufficient to pay for all Bill Payments requested, as well as, any other payment obligations you have to The Guernsey Bank. The Guernsey Bank reserves the right, without liability, to reject or reverse a Bill Payment if you fail to comply with this requirement or any other terms of this agreement. If you do not have sufficient funds in the Account and The Guernsey Bank has not exercised its right to reverse or reject a Bill Payment, you agree to pay for such payment obligations on demand. You further agree The Guernsey Bank, at its option, may charge any of your accounts with The Guernsey Bank to cover such payment obligations.

(F) Bill Payment Service Delays

Due to circumstances beyond the control of the Bill Payment Service Provider or The Guernsey Bank, particularly delays in handling and posting payments by Payees or other financial institutions, some transactions may take longer to be credited to your account with the Payee. The Bill Payment Service Provider and The Guernsey Bank will not be responsible for any late payment related charges should a payment post after its Due Date due to circumstances beyond the control of the Bill Payment Service Provider or The Guernsey Bank.

(G) Payment Authorization and Payment Remittance

By providing the Bill Payment Service with names and account information of Payees to whom you wish to direct payments, you authorize The Guernsey Bank and the Bill Payment Service Provider to follow the Payment Instructions that are received through the payment system. In order to process payments more efficiently and effectively, our Bill Payment Service Provider may edit or alter payment data or data formats in accordance with Payee directives.

When the Bill Payment Service receives a Payment Instruction, you authorize The Guernsey Bank and our Bill Payment Service Provider to debit your Bill Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize The Guernsey Bank and our Bill Payment Service Provider to credit your Bill Payment Account for payments returned to the Bill Payment Service by the United States Postal Service or Payee.

17. Bill Payment Methods

The Bill Payment Service reserves the right to select the method in which to remit funds on your behalf to your Payee. These payment methods may include, but may not be limited to, an electronic payment or a check draft payment.

18. Bill Payment Cancellation Requests

You may cancel or edit a Scheduled Bill Payment after it has been entered into the system AND before the Bill Payment has been released for payment by the Bill Payment Service. This means that you may edit or delete any Scheduled Bill Payment that is still "pending", prior to payment processing. You cannot cancel or edit a Scheduled Bill Payment after it has been processed and the payment has been released to the Payee. Once the Service has begun processing the Bill Payment, it cannot be cancelled or edited, therefore a Stop Payment request must be submitted, as described in the following section.

Any pending Bill Payment can be changed or canceled, provided you access the Service prior to the cut-off time of 6:00 AM ET six (6) Bill Payment Business Days prior to the business day the Bill Payment is going to be processed and released for payment. In order to cancel or change a pending Bill Payment transfer that has not been submitted for processing, use the following procedures:

1. Log-in to the Service to make edits to pending Bill Payment transfers;
2. You may edit a Scheduled Bill Payment (future dated/recurring) transfer anytime before 6:00 AM ET six (6) business days prior to the Scheduled Bill Payment transfer, and;
3. You may change the Scheduled Bill Payment transfer amount to \$0.00, or;
4. You may delete the Scheduled Bill Payment transfer.

For assistance, you can send us a Secure Message through the Online Banking Service or call our Customer Service Department at (614) 854-0400. For urgent Bill Payment requests, we recommend that you contact our Customer Service Department by telephone during the Online Banking customer service hours posted on our web site.

If you need our assistance when making edits to recurring/future dated Bill Payments; you can send us a Secure Message through the Online Banking Service or you may call us; however, we must receive your request six (6) Bill Payment Business Days or more before the transaction is scheduled for processing.

You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the Service. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment it cannot be cancelled or edited, therefore a stop payment request must be submitted, as described below.

19. Bill Payment Stop Payment Requests

The Service's ability to process a stop payment on a bill pay request will depend on the payment method and whether or not a check has cleared. We may not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any bill payment that has already been processed, you must contact our Customer Service department at (614) 854-0400 with your Stop Payment request.

Although we will make every effort to accommodate your request, we will have no liability for failing to do so. We may also require you to present your stop payment request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such service as set forth in our applicable fee schedule.

20. Prohibited Bill Payments

Payments to Payees outside of the United States or its territories are prohibited through the Service. Tax payments and court ordered payments are prohibited through the Service. Payments to any person, business, group, vessel or foreign government that appear on any U.S. government list of sanctioned entities are prohibited through the Service. You acknowledge that if you schedule such payments, The Guernsey Bank and/or the Bill Payment Service Provider may disregard your Bill Payment instructions and refuse to perform the requested Bill Payment. You agree that the Bill Payment Service Provider and/or The Guernsey Bank have no liability whatsoever as it applies to any late payment related charges when these types of payments are scheduled and/or processed by the Service.

21. Exception Bill Payments

Although tax payments and court ordered payments are prohibited by the terms of this agreement, it is possible to schedule them through the Service. You acknowledge that such payments are prohibited by the terms of this agreement, and that if you do elect to schedule a tax payment or court ordered payment, they will be treated as an Exception Bill Payment. Exception Bill Payments are scheduled at your own risk. In no event shall The Guernsey Bank or its Service Provider(s) be liable for any claims or damages which may result if you schedule these types of payments. You agree that the Bill Payment Service Provider and/or The Guernsey Bank have no obligation to research or resolve any claim resulting from an exception payment. You agree that the Bill Payment Service Provider and/or The Guernsey Bank have no liability whatsoever as it applies to any late payment related charges when these types of payments are scheduled and/or processed by the Service. All research and resolution for any misapplied, mis-posted or misdirected exception payments will be your sole responsibility.

22. Payee Limitation

We reserve the right to refuse to pay any Payee to whom you may direct a payment. The Guernsey Bank will notify you promptly if it decides to refuse to pay a Payee designated by you. This notification is not required if you attempt to make a prohibited payment or an exception payment under this Agreement.

23. Returned Payments

In using the Bill Payment Service, you understand that Payees and/or the United States Postal Service may return payments to our Bill Payment Service Provider for various reasons such as, but not limited to, Payee's forwarding address expired; Payee account number is not valid; Payee is unable to locate account; or Payee account is paid in full. Our Bill Payment Service Provider will use its best efforts to research and correct the returned payment and return it to your Payee, or void the payment and credit your Bill Payment Account. You may receive notification from the Bill Payment Service when this occurs.

24. Electronic Delivery of Account Alerts and E-mail

You may create an electronic notification called an Account Alert. Once you create an Account Alert, it is automatically sent to you via e-mail when the balance(s) in your account(s) reach a dollar threshold which you set. The notifications will be transmitted to the e-mail address you provide us. It is your sole responsibility to provide us with a valid e-mail address and to ensure that the e-mail address information is accurate. It is your sole responsibility to notify us of any changes to an e-mail address you have previously established with us. We may require you to provide us with written notice of any changes to your e-mail address within fourteen (14) days of any verbal communication to us.

In addition, if you elect to activate one of the Online Banking Service's e-mail notification alert options, you also agree to the following:

(A) Account Alerts - Disclaimer of Electronic Notification

Our Online Banking Service Provider will use its best efforts to promptly deliver all Account Alerts to the e-mail address you designate. However, Account Alerts are delivered using the Internet and unreliable e-mail protocols, and you acknowledge that such electronic transmissions are not guaranteed. Therefore, neither The Guernsey Bank nor the Online Banking Service Provider are responsible for any error in or delay of any electronic e-mail message. Additionally, neither The Guernsey Bank nor the Online Banking Service Provider warrants that any electronic e-mail message will be transmitted in any particular manner. You agree that you are responsible for determining when the balance(s) of your account(s) change by using other available methods for ascertaining your balance, such as by reviewing your periodic statement, by periodically logging-on to the Online Banking Service or by phone inquiry to our offices. Because the delivery of Account Alerts is subject to potential failure, you agree to periodically use alternate methods to ascertain the balances in the accounts for which you have created Account Alerts.

(B) Cancellation of Electronic Notification of Account Alerts

The Online Banking Service Provider and The Guernsey Bank reserve the right to cancel the electronic delivery of Account Alerts at any time. You may also cancel the electronic delivery of Account Alerts at any time by editing any Account Alert which you have previously created.

(C) No Liability for Non-Delivery of Electronic Notice of Account Alerts

You agree to hold harmless both the Online Banking Service Provider and The Guernsey Bank should the Online Banking Service Provider fail to deliver the electronic notification of your Account Alerts.

(D) Electronic Mail

Sending E-mail is a very good way to communicate with The Guernsey Bank regarding your accounts or the On-line Financial Services. However, your e-mail is actually sent via your own software and, as a result, is not secure. Because of this, you should not include confidential information, such as account numbers and balances in any e-mail to The Guernsey Bank. You cannot use e-mail to initiate On-line Financial Service transactions. All such transactions must be initiated using the appropriate functions within the Online Banking site. The Guernsey Bank will not be liable for any errors, omissions, claims, or problems of any kind involving your e-mail.

25. Information Authorization

Your enrollment in the Service may not be fulfilled if we cannot verify your identity or other necessary information. You agree that our Bill Payment Service Provider reserves the right to obtain financial information regarding your account from a Payee or from The Guernsey Bank (for example, by requesting information from a Payee or The Guernsey Bank to resolve payment posting problems or for verification of your account information). However, the Bill Payment Service Provider will only request the information which is necessary to complete your Bill Payment request in accordance with your instructions.

26. Exclusions of Damages and Warranties

(A) No Liability for Failure to Complete Transactions

If we do not complete a transaction to or from your account on time or in the correct amount according to your instructions or our Agreement with you, you agree that The Guernsey Bank and its suppliers will not be liable for your losses or damages. Specifically, we will not complete the requested transactions and we will not be liable for damages, when circumstances such as, but not limited to, those described below exist:

1. If, through no fault of ours, your Eligible Account or Bill Payment Account does not contain sufficient funds to complete the transaction;

3. The transaction would cause your balance to go over the credit limit for any credit arrangement set up to cover overdrafts in your Eligible Account or Bill Payment Account;
4. You, or anyone you allow, commits fraud or violates any law or regulation in connection with the Online Banking and Bill Payment Service or On-line Financial Services;

8. There is a postal delay;
9. Circumstances beyond our control or beyond the control of the Online Banking Service and/or Bill Payment Service (such as, but not limited to, fire, flood, improper transmission or handling by a third party, or interference from an outside force) prevent, hinder or delay the proper execution of the transaction and the Service has taken reasonable precautions to avoid those circumstances;
10. If your computer, software, telecommunication lines or other equipment were not working properly or were temporarily unavailable, and this problem should have been apparent to you when you attempted the transfer or bill payment;
11. It can be shown that the payee received the bill payment within the normal delivery time frame and failed to process the payment through no fault of ours;
12. We have reason to believe that a transaction request may not be authorized by you or any third party whose authorization we believe is necessary;
13. The payment request involves funds subject to hold, dispute, restriction, or legal process we believe prevents their withdrawal;
14. The Bill Payment request is a Prohibited Bill Payment or an Exception Bill Payment.

If the Online Banking Service or Bill Payment Service is unable to complete any transaction initiated by you because of the existence of any one or more of the foregoing circumstances, The Guernsey Bank and/or the Bill Payment Service Provider and/or the Online Banking Service Provider shall be entitled to reverse/rescind your transfer(s), or your scheduled transfer(s) or your Scheduled Bill Payment(s) and to disregard your transfer instruction(s) or Bill Payment Instruction(s) for as long as the condition exists.

Provided none of the foregoing exceptions are applicable, if the Online Banking or Bill Payment Service causes an incorrect amount of funds to be removed from your Eligible Account(s) or Bill Payment Account(s), or causes funds from your Eligible Account(s) or Bill Payment Account(s) to be directed to a Payee which does not comply with your Payment Instructions, your sole remedy shall be to accept the assistance of The Guernsey Bank who will instruct the Online Banking and Bill Payment Provider to return the improperly transferred funds to your Eligible Accounts or Bill Payment Account(s), and/or direct payment to the proper Payee for any previously misdirected transactions.

(B) Exclusions of Damages and Warranties

In addition to the terms previously disclosed, The Guernsey Bank is not responsible for any losses, errors, injuries, expenses, claims, attorney's fees, interest or other damages, whether direct, indirect, special, punitive, incidental or consequential, (collectively, "Losses") caused by Online Banking and Bill Payment Service or the use of the On-line Financial Services or in any way arising out of the installation, use or maintenance of your personal computer hardware or software, including any software provided by The Guernsey Bank or one of its suppliers. In addition, The Guernsey Bank disclaims any responsibility for any electronic virus(es) you may encounter after installation of such software or use of Online Banking and Bill Payment Service or the On-line Financial Services. 28. Failed or Returned Transactions

In using the Bill Payment Service, you are requesting us to make payments for you from your Bill Payment Account. If we are unable to complete the transaction for any reason associated with your Bill Payment Account (for example, there are insufficient funds in your Bill Payment Account to cover the transaction or incorrect Payee information), the transaction will not be completed. Either the Bill Payment Service Provider or The Guernsey Bank is authorized to report the facts concerning any Bill Payment item returned due to insufficient funds to any credit-reporting agency. In some instances, you will receive a return notice from the Bill Payment Service. In such case, you agree that:

29. Privacy and Internet Security

(A) Privacy

We understand how important privacy is to our customers. We have taken steps to protect the privacy and security of your personal information as well as your financial transactions with us. You should read our privacy notice before completing the enrollment process for the Service.

(B) Internet Security

We are strongly committed to protecting the security and confidentiality of our customer accounts information. The Service utilizes a comprehensive security strategy to protect your accounts and transactions conducted over the Internet. Prior to activating your access to the Service, our Internet Banking department will verify your identity and authorization against information associated with the Eligible Account (s) that you request to be tied to the Service. We use several techniques to help secure our Online Banking service, including the following:

- 1. You can only access the Service with certain browsers that have a high security standard and Browser Encryption is utilized.
- 2. Your account numbers will be masked so that only the last 4 digits can be viewed whenever possible.
- 3. You must have a valid Online Banking Access ID and Passcode to logon.
- 4. If no action is taken for 10 minutes, you will be automatically logged off the Online Banking service.
- 5. You will be required to change your Passcode periodically.
- 6. Network Security protections are implemented and Network Monitoring is performed.

(C) Log-On Security

For your protection, you should sign-off after every Internet banking session. However, in order to help prevent unauthorized access to your account(s) your online session will end automatically if we detect no activity for 10 minutes. This is to protect you in case you accidentally leave your computer unattended after you logged on. When you return to your computer, you will be prompted to re-enter your Passcode, and your session will continue where you left off. In addition, we will deactivate your account after three unsuccessful login attempts within a 24-hour time frame.

(D) Encryption

The Service uses the Secure Socket Layer (SSL) encryption technology for everything you do while using Internet banking. Your browser automatically activates this technology when it attempts to connect to our Service. Our Service requires a browser that supports 128-bit encryption, and you agree to exclusively use a browser that meets this requirement.

Whenever SSL is securing your communications, the browser will typically indicate this *secure session* by changing the appearance of a small icon of a padlock at the bottom of the screen from "open" to "locked". What this means to you is that your communications are scrambled from your browser to our servers at all times so no unauthorized party can read the information as it is carried over the Internet.

(E) Certificate Authority

The servers hosting our Service have been certified by a "Certificate Authority" to assure you that you are actually talking to our Service instead of someone pretending to be us. If you are using an older browser, such as anything prior to versions 4.0 on Netscape Navigator or Internet Explorer, you will see that the "Certificate Authorities" key may have expired; you will need to update it on your browser. Instructions for upgrading your browser are located on the Browser SSL Update link, which is located on the Service login page.

(F) Use of Public Computers

The security of public computers (e.g. in a Library, or Internet café) cannot be assured; therefore we strongly recommend that our customers refrain from accessing online accounts on a public computer.

(G) Other Security Features

In addition to the security features described above, there may be other security related notices posted on our website or Service from time to time. It is your responsibility to read all security notices.

NOTWITHSTANDING OUR EFFORTS TO ENSURE THAT THE SERVICE IS SECURE, WE CANNOT AND DO NOT WARRANT THAT ALL DATA TRANSFERS VIA THE SERVICE WILL BE FREE FROM MONITORING OR ACCESS BY OTHERS.

30. Passcode and Security

(A) Access IDs and Passcodes – Requirements and Characteristics

Your Passcode will give you access to your Guernsey Bank accounts via Online Banking. The Guernsey Bank is entitled to act on any instructions it receives using your Passcode. One of the main security features protecting the Service is the unique combination of your Access Identification Code (Access ID) and Passcode. During the enrollment process, you will be asked to create a unique Access ID, and then create a Passcode that will be used to gain access to the Service. You determine your own Passcode, which is encrypted in our database. Neither The Guernsey Bank nor its Service Providers have access to this information.

Because your Passcode is used to access your accounts, you should treat it as you would any other sensitive personal data. You should carefully select a Passcode that is hard to guess. The Guernsey Bank strongly encourages you to stay away from words based on your name, address or other personal information. Your Passcode must meet the following minimum requirements:

- It must be at least six (6) characters long and no more than ten (10) characters long.
- It must contain at least 1 alpha and 1 numeric character.
- It must not be based upon any personal information you have provided to us.

Note: Special characters (such as ~, !, @, # and &) may be used to increase security. Do **NOT** use dictionary words.

(B) Access IDs and Passcodes - Exclusivity and Confidentiality

You are being provided with an Access ID and Passcode for your exclusive use. **YOU ARE SOLELY RESPONSIBLE FOR CONTROLLING THE SAFEKEEPING OF, AND ACCESS TO, YOUR PASSCODE. YOU AGREE NOT TO GIVE OR MAKE AVAILABLE YOUR PASSCODE OR OTHER MEANS TO ACCESS YOUR ACCOUNT TO ANY UNAUTHORIZED INDIVIDUALS.** You agree to keep your Passcode safe. You should memorize your Passcode and do **NOT** write it down. You acknowledge that you will be required to change your Passcode periodically, such as every 90 days. You agree to change your Passcode immediately if you suspect that your Passcode has been compromised. Your Passcode can be changed at our Online Banking site.

WE WILL NEVER CONTACT YOU BY TELEPHONE, E-MAIL OR POSTAL MAIL REQUESTING YOUR ACCESS ID AND/OR PASSCODE. If you are contacted by anyone requesting this information, you agree to contact us by telephone **AT ONCE** at (614) 854-0400 during the Online Banking customer service hours posted on our web site.

Tell us **AT ONCE** if you believe that your Access ID or Passcode or other means to access your account has been lost or stolen, or if you believe that someone may attempt to use the Service without your consent, or if someone has transferred money without your permission. Telephoning us at (614) 854-0400 is the best way of minimizing your possible losses. You could lose all the money in your Eligible Account(s), your Bill Payment Account and/or any linked accounts.

(C) Access IDs and Passcodes – Your Responsibility If You Disclose Your Passcode to Others

WHEN YOU ACCEPT THE TERMS AND CONDITIONS OF THIS AGREEMENT BELOW, YOU AGREE NOT TO GIVE OR MAKE AVAILABLE YOUR PASSCODE OR OTHER MEANS TO ACCESS YOUR ACCOUNT TO ANY UNAUTHORIZED INDIVIDUALS. YOU ARE RESPONSIBLE FOR ALL TRANSFERS AND BILL PAYMENTS YOU AUTHORIZE USING THE SERVICE. IF YOU PERMIT OTHER PERSONS TO USE THE SERVICE OR YOUR PASSCODE OR OTHER MEANS TO ACCESS YOUR ACCOUNT, YOU ARE RESPONSIBLE FOR ANY TRANSACTIONS THEY AUTHORIZE.

If you disclose your Passcode to anyone, and/or if you allow someone to use your Passcode to access your accounts, you are authorizing them to act on your behalf and you will be responsible for any use of the system by them (e.g. such as when you provide this information to a joint account holder, spouse, AND/or an aggregation service provider). If you give someone your password, you agree that you are authorizing that person to use the Online Banking and Bill Payment Service and the On-line Financial Services on your behalf, and that you are responsible for all transactions they perform using your password, even if you did not intend or authorize the transactions.

In addition, fraudulent transactions initiated using your password will be charged against your account(s).

BY ACCEPTING THE TERMS OF THIS AGREEMENT YOU ACKNOWLEDGE YOUR RESPONSIBILITY FOR PROTECTING THE CONFIDENTIALITY AND SECURITY OF YOUR ACCESS ID AND PASSCODE AND YOU AGREE TO CHANGE IT PERIODICALLY AND TO TELEPHONE US AT ONCE IF YOU BELIEVE THAT YOUR ACCESS ID OR PASSCODE HAS BEEN COMPROMISED.

31. Alterations and Amendments

Any use of the Service after we provide you a notice of change will constitute your agreement to such change(s). Further, we may, from time to time, revise or update the applications, services, and/or related material, which may render all such prior versions obsolete. Consequently, we reserve the right to terminate this Agreement as to all such prior versions of the applications, services, and/or related material and limit access to only the Service's more recent revisions and updates.
